Webpage of Nõiariik (only available in Estonian…) https://noiariik.ee/

For now only the lessons of Monday and Tuesday are fixed. I suggest a flexible schedule – on Tuesday we'll know better which groups needs more rehearsal time.
There is an additional concert on Wednesday where our performance is about 20 minutes.
The school concerts are quite short so not everybody can perform, we'll divide the groups to perform on different concerts on Wednesday.
